STORM EMPTIES HARBOR

The threat of Lilli churning off the east coast and aimed in our direction ended the 1990 boating season as the local boatyards hauled one after the other. On the cover, Brownell's rig, one of many, pulls out a sailboat on Saturday morning. Mattapoisett Boatyard was also hauling steadily to make a dramatic difference in the appearance of the harbor. As the storm threatened, the bluefish went into a feeding frenzy driving the pogies in by the thousands and chop-

Additional Elderly Housing?

PROPOSED ELDERLY HOUSING APPLICATION MATTAPOISETT SELECTMEN'S MEETING OCTOBER 9, 1990-by VIRGINIA MORGAN

With a deadline of October 15 to get an application to the state Executive Office of Communities and Development for funding for not more than 20 Elderly Congregate Housing Units to be located at Village Court, Mattapoisett Housing Authority Executive Director June Mendell received Selectmen's approval last Tuesday to apply for a grant under Chapter 667. She explained awards will be announced in November.

"There is no dollar amount available", Ms. Mendell said, "but the grants are for up to 250 units of housing throughout the state. If our application is approved we will need to submit an article in either a special or annual town meeting for voter approval."

Housing Authority Chairman Roger Thompson explained they were notified August 30 that there are state unexpended bond funds for 250 units of housing. "We decided congregate housing for the elderly would be simple living with shared bathrooms and kitchens and with supplemental care - sort of between Village Court and a nursing home. We have a growing population of elderly in Mattapoisett. The average age at Village Court is 76 in one level and 74 in a second level.

"The property we already own at Village Court; we propose to build a third floor to provide 20 units. We have a good facility with recreation and ancillary services. Of course we would have to install an elevator,"

said Mr. Thompson.

Selectmen Chairman John DeCosta asked if the structure will support a third floor and will the state supersede town by-laws relating to a 35 foot restriction on the height of buildings.

Mr. Thompson said he wasn't sure on the by-laws; this would have to be checked. Ms. Mendell said the original builder told her the structure is sound and a third floor is feasible; the utilities are in; the transformers are sufficient; the sewage pipes are sufficient, she added.

Ms. Mendell also noted the state Department of Elder Affiars has been notified and they have a good deal of input into the decisions.

The present housing at Village Court consists of 54 units, 52 for the elderly and 2 partial barrier free for handicapped, built in 1982, and 2 separate units, one hundred percent barrier free, built in 1987. There are also 10 single family low income houses on Homestead Court. Ms. Mendell explained there are income guidelines for persons to qualify for housing - $15,000 in assets and income broken down depending on the number of people in the family.

in Mattapoisett in October, with a public hearing scheduled in April 1991.

Mattapoisett is one of the six communities selected for 1991 for the DEP's goal to protect precious wetlands resources in every Massachusetts city and town by producing highly accurate maps which are based on aerial photography and extensive field verification. Using these tools, trained analysts identify all wetlands parcels (uplands are not affected) in this community which are one-half acre in size or larger; these parcels are targeted for protection in the form of a restriction order which is recorded at the Registry of Deeds, the state letter noted.

Working with the Conservation Commission and other town departments, there will be a public hearing to discuss the final restriction order. All assessed owners of the properties which have been identified will receive official notice of that hearing. They also will have an opportunity to request a site visit with the program staff. When the final order has been completed it will be submitted to the Board of Selectmen for review.

Selectmen agreed to hold a joint meeting with the Conservation Commission members and the Planning Board to discuss this pro-

RECEIVED from Ron Michalski of Tighe and Bond Engineers the latest report on the sanitary landfill inspection.

Selectmen expressed pleasure at the favorable report and noted the landfill looks terrific. They are doing a great job, board members agreed.

Among the favorable observations: landfill access roadways are in good condition and the active cell was well marked for vehicular traffic; no litter was observed blowing from the working face of the daily cell; little windblown litter was evident around the perimeter of the landfill; interim cover on the Phase I area was in good condition; the white goods stockpile was well maintained and confined to a small portion of the Phase I landfill. Periodically, the white goods are baled and taken off-site for recycling by a contractor. Under operational improvements - a leaf composting area was being constructed on the September 27 inspection, groundwater monitoring well has been extended to allow continued filling on the southern landfill slope in the Phase II area and a gate attendant's office has been installed at the entrance to the landfill adjacent to the equipment garage.

VOTED TO EMPLOY Peat Marwich Accounting firm to work with Town Accountant Joseph Bolton in closing the books for the fiscal year ending June 30, 1990.

GRANTED A limousine license to Burt D. Pina of 5 Hitching Post Road to provide public transportation and to carry passengers for hire in Mattapoisett. The medium-stretch limousine will be garaged at his home address but business will be conducted from 300 Dartmouth Street, New Bedford.

ANNOUNCED the Planning Board will conduct a public informational meeting at 7 p.m. October 16th in the town hall conference room to discuss proposed changes in the zoning by-laws.

Selectmen went into executive session to discuss a report from Selectman Daniel O. Mahoney regarding the ongoing potential litigation between the town and SEMASS on the additional fees SEMASS claims Mattapoisett should pay. Disclosure of information would not be to the benefit of the litigation of the town, explained Mr. Mahoney.

"Wanderer" Anchor Presented

Selectmen Chairman John DeCosta and Police Chief James Moran help guide the anchor to its new location. Mr. Rodman C. Flodin watches at right.

Story and Photos by Virginia Morgan

On Saturday, October 6th, a beautiful day, at the new police station on Route 6 Mr. Rodman C. "Cliff" Flodin and Mrs. Emma L. "Lynn" Flodin of 5 Justin Avenue gave to the town in an official ceremony the anchor and chain salvaged from the whaling Bark "Wanderer". Mr. Flodin said, of the occasion, "On behalf of my wife, my family and myself, we want what our forefathers built to be put

here for future generations to see what those who have gone before had done."

The "Wanderer" was built at the J. H. Holmes and Son Shipyard in Mattapoisett and was the last vessel to be built in this town, launched in 1878. The bark was the last active square-rigged whaler out of New Bedford. It was wrecked on the rocks off Cuttyhunk Island in a gale on August 26, 1924. Articles were salvaged by a New York salvage company; some articles went to the late Willis Munro and some to Mr. Flodin 60 years ago.

Selectmen Chairman John DeCosta, Selectmen Bernard F. Talty and Daniel O. Mahoney and Police Chief James F. Moran were on hand to accept the anchor. The 10 foot chain, made by the Mattapoisett Chain Works in the 1800s will be moved later to the police station site. About 15 residents attended to observe the dedication.

Chairman DeCosta said, "On behalf of the Town of Mattapoisett we accept with pleasure this special gift to the town, a gift so closely connected to the history, tradition and the lore of this old shipbuilding village on Buzzards Bay." Selectman Talty gave a brief description of Mattapoisett's 150 year history, covering the height of the shipbuilding industry through the gradual decline of

anchor with a coal tar epoxy finish to preserve the metal, then painted the teakwood crossbar with white paint.

Police Chief Moran said the anchor and chain will add a touch of Mattapoisett's history to the new police station. The anchor was placed on a cement base between the two flagpoles and is visible from Route 6.

When the boatyard crane was hoisting the anchor in place the first try didn't quite suit the selectmen. "Move it 2½ inches to the right - there, that's perfect", Selectman Mahoney exclaimed to the driver. "Don't leave before we're sure it is centered - we can't move it."

When the Flodins first met with Selectmen at the July 25, 1989 meeting they also presented the town with a few artifacts salvaged from the "Wanderer". They are now on view to the public in a glass case in the Town Hall foyer. At that time Selectmen presented the Flodins with a Certificate of Appreciation for their gifts.

At the 1989 meeting Mr. Flodin said he had asked himself what he could do in appreciation to the town for the new police station. He felt this would be a good place for the anchor to remain in Mattapoisett. He noted that the mast from the "Wanderer" graces the lawn at Shipyard Park on the

wharf. "These tools and anchor made in Mattapoisett should remain in Mattapoisett", Mr. Flodin said.

At last Tuesday's meeting, October 9th, Mr. DeCosta displayed another gift from the Flodins to the board - a 100-year old small whale oil lamp about eight inches high which was used aboard whaling ships to see in the hold. Chairman DeCosta explained the lamp is called a skirt lamp that can be turned upside down to make a candle holder.

Men's Fellowship

The Men's Fellowship, an ecumenical gathering for all Marion area men, will meet Sunday, October 21st, at St. Gabriel's Parish Hall, corner of Front and South Streets in Marion; early bird coffee at 8:15 and breakfast at 8:30.

Guest speakers will be Monica Chace and Dottie Barrios whose topic will be The Battered Women's Project. The Battered Women's Project is one of three projects within the New Bedford Women's Center which serves the Greater New Bedford area by helping women and children in need.

The Center offers preventive and educational approaches to the issues of women's health, sexual assault and domestic violence. The Center was started in 1978 as a result of a growing need for such services in the area. Along with the Health Project and the Rape Crisis Project, the Center helps women and their families who are living in violent or abusive situations.

Area residents, both men and women, are welcome to attend.

Mattapoisett Woman's Club

DESIGNS AND FASHIONS

The next meeting of the Mattapoisett Woman's Club will take place on Thursday, October 18th, at 1:00 p.m. at the Mattapoisett Congregational Church Hall. Sandra Morrow-Cabral, owner of SMC Graphics, will show original sportswear designs for all ages. Also, some of the members will be modeling some original fashions by Teddy Karl of Edward Karl Designs, located in North Dartmouth.

Members will not want to miss this meeting.

Toiletries for Veterans

Members of the Mattapoisett Woman's Club are requested to bring to the October 18th meeting toiletries as follows: toothpaste, tooth brushes, disposable razors and tubes of shaving cream. These items will be taken to the Club Institute for distribution to veterans and are needed by October 30th. Arrangements may be made with Lee Yeaton at 758-6415 for pick-up of contributions from members or anyone in the community interested in giving to this worthwhile cause.

Marion Methodist Church

CELEBRATES 125th BIRTHDAY

The Marion United Methodist Church will celebrate its 125th birthday on October 21st during worship services and at a luncheon following. The laity and the pastor will present its worship service entitled "What the Marion United Methodist Church Means to Me", as well as historical moments. Both the church worship and luncheon are open to the public; however, a paid reservation is necessary for the luncheon buffet at a cost of $5. per person by October 17th. For reservations

TALK ON "THE CRANBERRY HARVEST"

Mr. Joseph Thomas of Spinner Publications will be holding a discussion of his book, "The Cranberry Harvest", at the Marion Natural History Museum on October 18th at 7:30 p.m. Mr. Thomas will be bringing a slide show of many of the photographs found in the book, many by the photographer Lewis Hine. Spinner Publications specializes in documenting the "oral history" of the area's residents, in this case those involved with the cranberry industry. Mr. Thomas' work has been praised in such publications as Yankee Magazine, The Boston Globe, and The Providence Journal. The evening's discussion promises to be an interesting one and all are welcome. The Museum is located

INTO FAMILY EYE CARE

Following cataract surgery will I have to get a new pair of glasses?

Yes, you will need a new pair of glasses following cataract surgery. A major concern with most people, however, is will I have to be without my glasses while the new lens is being made. The answer to this concern is no. When you come into the office we can take the necessary measurements needed and get the lens blank surfaced to the new prescription. Then, in about 20 minutes we can grind the lens down to fit your existing frame. You will be able to walk out of the office with your new correction.

League Phone-a-thon

The League of Women Voters of Marion, Mattapoisett and Rochester is planning a Phone-a-Thon on Saturday and Sunday, October 27th and 28th, from late morning to suppertime. The LWV board, most specifically, its Co-Presidents, Kay Reis, Marion, Lois Sager, Mattapoisett, and Pat Ryan, Rochester, and Development Coordinator Judy Coykendall, Marion, have worked on organizing this first-time project. Sippican Corporation is providing the phones.

The League needs to raise money to support its many-faceted local activities. For many years, after membership dues, the Marion, Mattapoisett and now Rochester phone book has been its chief method of support. The phone book is distributed free to all the addresses of the three towns. Income is derived from advertisements and classified listings. The inclusion of Rochester has raised expenses by a considerable amount and, as Rochester is mostly a residential community, the additional advertising and classified listings have not yet made up the difference in cost. The League feels that is most important to continue the phone book as a tri-town affair and is seeking additional sources of revenue to support its community activities.

Voter Service is one of the Tri-Town League's most important efforts. In addition to running candidates' and warrant nights in the spring, the League is sponsoring with Plymouth a candidates' night on Thursday, October 18th, with Studds and Bryan. It is also currently organizing a TV 8 Forum on Ballot Question 3 and, when appropriate, it displays its banners, VOTE TODAY and TOWN MEETING TONIGHT. High on its list of future activities, when there is enough money, is the provision of such banners for all three towns, in-

MATTAPOISETT

Beyond the dollar signs that the weekly Megabucks drawing brings, there lies a way of thinking - even an illness-that is terribly destructive to individuals in our entire society. Please join us at the Mattapoisett Congregational Church and listen to the sermon entitled "Gambling: Denying Ourselves". The worship service starts at 10:00 a.m.

ADULT DISCUSSIONS

The Reverend Raymond D. Patch will lead three discussions on Rabbi Harold Kushner's book, "Who Needs God?" The dates will be as follows: Monday evenings, October 22nd, 29th and November 5th, from 7:30 to 8:30. All are invited. Please read the entire book before the first session.

St. Jude's Bike-a-thon Correction

In taking first place in the recent Bike-a-Thon in Mattapoisett for St. Jude Children's Research Center, Brittany Jackson turned in $401.60 and went home with a new Zenith portable TV. The Presto last week reported erroneously the amount of $40.60. We regret the error.

Congratulations, Brittany.

On Wednesday, October 24th, Dr. Michael Crowe III, Podiatrist, will be at Village Court at 1:30 p.m. He will not come again until late December, so please call the Council office (758-4110) if you need to see him. Kindly specify if you need transportation to Village Court.

COOKOUT - A HUGE SUCCESS

Thanks to Continental Cablevision the four-town senior cookout held on October 2nd was fantastic. Forty-four Mattapoisett seniors attended and were served thick hamburgers, hot dogs, macaroni salad, fruit cup, and a variety of soft drinks. As a special treat some of the staff made home-baked cookies for all the seniors.

The Council wishes to compliment Continental Cablevision for a well organized event enjoyed by all of our seniors.

INTER-GENERATIONAL EVENT

On Thursday, October 25th, the seniors are in for a treat. The elementary chorus at Old Hammondtown School will perform for the seniors at Village Court at 11:30 a.m.

Why not order lunch and come a little early to enjoy this performance. You will enjoy hearing these youngsters sing especially for you.

Please call the Council about ordering lunch in advance or if you need transportation to Village Court. Call the new telephone number, 758-4110, 9:00 a.m. to 12:00 noon.

Letter to the Editor

The League of Women Voters is strongly opposed to Ballot Questions #3 and #5. These ballot questions, dealing with the State's finances, were developed some time ago, before State revenues dropped. If enacted now there will be financial chaos.

If Question #3 is passed, rolling taxes and fees back to 1988 levels, the 1991 budget will have to cut $1 billion. Since Proposition 2½ the state has had to double aid to support local school systems, yet the budget of the Massachusetts Department of Education has been slashed over the past two years. Basic skills programs were cut by 78% - Commonwealth Future, a community involvement and jobs training program was eliminated. These two programs were designed to curb drop-out rates. Early Childhood Education programs were cut by 31%. These are just three of the programs that have suffered. If more cuts come, especially special needs and low income families will meet fewer resources when their children enter school.

Higher Education will also suffer. Cuts of 19% have been imposed since 1988, 11% occurring this year. It is estimated that

available funding to Higher Education would be slashed by another 38% or $126 million; that is the equivalent of all 15 community colleges, or all 9 state colleges, or 21,000 scholarships.

Child care, which makes it possible for parents to go to work, has been cut in Fiscal 1991 by $22 million. Question #3 would require further cuts.

Programs and services for the elderly affecting Home Care, Medicaid, fuel assistance among them, would require 30% to 40% cuts.

Although Question #5, requiring 40% of the state's income from income, corporate and sales taxes to go to cities and towns sounds like what we want, it would impose another heavy burden on the state's revenue system. The state is responsible for providing all major social services (welfare, housing, medical, group insurance, debt and MBTA subsidy) as well as maintaining the court system.

If Question #5 had been law for the current year the state would have had to increase the size of the tax package in July by $1 billion, or would have had to more than double the budget cuts that have been made in the last 3 months from $710 million to $1.6 billion.

ever, at the time of the adoption of the Zoning By-Law in 1967 and is a lawfully non-conforming structure.

The applicants proposed an addition to the irregularly shaped building to "square" it off, and provide more space for store supplies and to expand the kitchen and takeout area. According to the zoning by-laws, the number of parking spaces required for a restaurant use is one for every two seats or one for each 25 square feet of public floor area, whichever is greater. The business does not presently meet this requirement with a total of 17 parking spaces. There was no evidence presented at the hearing of a plan to meet the requirements.

The board found that the proposed addition and alterations while not meant to increase the seating capacity, will increase the total business capacity including seated customers as well as takeout customers. This will in turn influence the parking situation which, owing to the location of the restaurant in a very busy section of the town, is a major safety concern. The board found the changes requested shall be substantially more detrimental than the existing use to the neighborhood.

The application of Sally C. Tavares of 39 Old Marion Road, relating to property at that address, and the office of her husband, Dr. Charles Tavares, Dentist, for a proposed expansion of a permitted accessory professional use, a dental office, in a split Residence 30 and General Business District, was denied.

At the request of Attorney Elizabeth Kunz, representing the applicants, the application was amended to reflect a different section of the zoning by-law -- from the one on density regulations to the permitted use to conduct the practice of dentistry on the property in question so long as such use does not occupy more than 25 percent of the total floor area of all structures on the lot, or 480 square feet, whichever is less. In this instant the 480 square foot limitation applies.

The applicant's husband opened his dental office in 1964 prior to the adoption of zoning. The applicant contends that the use is a lawfully non-conforming use because more than 480 square feet of area has been devoted to the business use.

The applicant proposed to expand the existing dental office by constructing a one-story addition for an office, hallway and office file space containing a floor area of 161 square feet and an enclosed, winterized passageway containing 107 square feet connecting the new addition to the existing storage building. In addition, the applicant proposed to convert the use of the existing two-story shed which contains approximately 368 square feet from domestic storage to business storage. Under the applicant's proposal approximately 1031 square feet would be devoted to accessory professional use.

Neighbors and landowners appeared in opposition. Attorney Peter Paul representing abutters William N. Dexter, Arlene Dexter and Betsy D. Ose, submitted into evidence a memorandum stating their opposition to the application for a special permit.

The Appeals Board found that so great

an expansion of the dental business in what is primarily a residential area would be substantially more detrimental than the existing non-conforming use and structure to the neighborhood.

The application of Jack Conway, Jr. of Hanover by Gretchen Pyne of 6 and 8 County Road relating to property located at 6 County Road was granted for the erection of signs on the property at 6 and 8 County Road in the General Business District.

The applicant received permission to erect new signs in addition to those permitted in the board's prior decisions in 1986 and 1988. Specifically, four signs will be placed on the upper peaks of the front of the building; and two one foot by 12 foot signs on the lower roofline of the building. Also, will erect three one foot by 12 foot signs on the front of the so-called "Pandolphi" building. In addition the applicant will erect a signpost with four one foot by eight foot signs on the parking lot side of the "Pandolphi" building to identify businesses located in the rear of that building. The signs will be wooden with colonial lettering, having a maroon background and off-white lettering.

The applicant contended the signs presently permitted under the Appeals Board's previous decisions are not sufficient to alert the public to the location of businesses on the applicant's property. No one appeared at the public hearing in opposition to the proposal.

The board found erection of the proposed signs would not be substantially more detrimental than the existing structure and use of the property to the neighborhood, subject to the following limitations: all previous provisions are revoked; one master sign as currently exists is authorized for the so-called "Conway" building provided that any replacement of this sign or repair amounting to replacement shall be of the same size but shall be made of wood and shall be uniform in style of lettering with other authorized signs; one sign for the so-called "Pandolphi" building, with the same provisions as for the "Conway" building; the context of the signs are limited to the name of the business; there shall be no portable signs of any type nor shall there be any interior signs that would have an exterior effect, and several other limitations on location of the signs.

Question 3 Debate, SMU

The Citizens for Limited Taxation petition to roll back taxes and fees -- Question 3 on the November 6th ballot -- will be debated October 25th at Southeastern Massachusetts University.

The public is invited to the free debate from 7 to 9 p.m. in the Recital Hall (Room 153) of the College of Visual and Performing Arts building. Use parking lots 8 and 9.

WSMU, the university radio station, will also broadcast the debate live. WSMU is at 91.1 on the FM dial.

Barbara Anderson of CLT will argue for passage of the controversial budget-cutting initiative, and Roseann Bacon, representing the Citizens for Massachusetts Future, will argue against its passage.

"Super Me!" Booklets

FROM OLD HAMMONDTOWN SCHOOL

Each and every child is a wondrous miracle. All children are definitely different and yet somewhat alike. Their special uniqueness is what prompted Mrs. Brammer, computer aide, to create the "Super Me!" mini-unit at Old Hammondtown School in Mattapoisett. The end result will be a booklet consisting of a personality sign, individualized stationery, a self-portrait, a personal diamante poem, a "Super Me!" paper and an autobiography. The fourth grade teachers, Mrs. Blanchette, Mrs. Homer and Mr. Spark, the fifth grade teachers, Miss Aiken, Mrs. Sundquist, and Mrs. Arrner, and the sixth grade teachers, Mrs. Jordan, Miss McQuillan and Mrs. Smith, have been helping their students with the actual drafting, revising, and editing of their written work. The final publishing stage will take place in Mrs. Brammer's Computer Lab using various programs such as Print Shop, FrEdWriter, and Magic Slate. The resulting booklets should prove to be as special and unique as each of our students are.

Music at Sippican School

This year, with community support, we have been able to continue our purchase of Orff instruments for Sippican School. Orff instruments are used in general music classrooms all over the world. They were created by Carl Orff who devised a music learning method for adults in Germany in 1923 and later modified this method to suit the needs of young children.

Orff instruments are child-sized xylophones made either of metal or rosewood, not the plastic or tin xylophones many of us remember from our childhood. We have purchased the rosewood instruments, which, when struck with felt-tipped mallets, pro-

duce a wonderful, encouraging tone. Children are often amazed at the melodies they can create by themselves.

Each bar can easily be lifted off the instument, so scales which often seem so abstract instantly become visible, touchable learning tools. This special feature makes it easy for children to compose their own music and play some of the works of the world's greatest composers.

Boat Launching Nears

STUDENTS CONSTRUCT BOAT
DESIGNED FOR UNDERWATER RESEARCH

As the new school year gets underway at Sippican School, three sixth graders are preparing to launch more than just another year - they are constructing a small boat designed for underwater research. The project was begun last winter by Jeremiah Goldovitz and Joel Greene, then members of Mr. Farrell's fifth grade class, as independent study.

Jeremiah had become interested in a book in the school's library which contained plans and instructions for building a plywood boat, viewer, and other equipment. He and his friend Joel knew it would be useful in gathering specimens for the salt water aquarium in their classroom, and so after much planning, the boat was finally begun.

June arrived before completion, and the

Grant Award to Project GROW

The Old Rochester Regional School District has received notice of the award of $49,151 from Chapter 188 Early Childhood Discretionary Grant funds by the Massachusetts Department of Education. These funds support Project GROW which, combined with Early Childhood Allocation funds and local school budget support, offer a number of services to young children and their families in Marion, Mattapoisett, and Rochester including the Project GROW pre-school program, screening services for three and four year olds, parent education programs and materials, and efforts to link the network of early childhood professionals in the tri-town area. The goal is to support and strengthen programs and services for young children and their families. This is the fourth year which Project GROW has been chosen to receive funding from the Massachusetts Department of Education having received $44,223 in 1987, $62,500 in 1988, and $46,253 in 1989.

The recently renamed Tri-Town Early Childhood Advisory Council has been responsible for developing the grant applications and represents a cross-section of the community. The advisory council is co-chaired by Beverly Ciaburri, a parent from Rochester, and Merle L.P. Douglass, a teacher from Marion. Other members include Jean DaSilva, parent, Marion; Margaret DeCosta, director Seaside School, Marion; Jacqueline Demers, teacher, Roch-

Colonial Revival Lecture

SPONSORED BY WHALE

If you have walked down New Bedford's Hawthorn Street and other streets near Buttonwood Park and admired the late 19th and early 20th century houses and wanted to learn more about their design and architecture, come to a lecture series sponsored by WHALE. WHALE's Fall Lecture Series will be held on Thursday evenings, October 25th and November 1st, at 7:00 p.m. at the Buttonwood Branch of the New Bedford Public Library. Admission will be $3. for WHALE members and $4. for non-members.

Featured speaker for the October 25th lecture is Robert O. Jones, Senior Historic Preservation Specialist for the Rhode Island Historical Preservation Commission. Mr. Jones will present a tailor-made slide presentation of New Bedford's turn-of-the-century architecture, using local examples.

Guest lecturer Jones is a native of Providence, Rhode Island and has studied the history of art and architecture at Vermont's Middlebury College. In addition to his work on the Rhode Island Historical Preservation Commission, Mr. Jones has written the survey reports for Narragansett Pier and Warwick, Rhode island. He has also co-authored a book on the State Houses of Rhode Island.

Bring a slide or photograph of your house to the second lecture on November 1st when Antone G. Souza, Jr., Director of the City of New Bedford's Office of Housing and Neighborhood Development, will speak. He will discuss the stylistic features of your home and recommend rehabilitation and maintenance techniques. He will address particular maintenance problems, such as roofs, siding and paint colors. Mr. Souza will also provide information on the city's housing programs, which offer financial assistance to property owners.

The Lecture Series is offered as part of WHALE's preservation services which include preservation, education, technical assistance and advocacy. WHALE is the Waterfront Historic Area League of New Bedford,, founded in 1962 to preserve the historic character of New Bedford.

This program is supported by the Massachusetts Arts Lottery, through a grant from the New Bedford Arts Lottery Council, and the Massachusetts Cultural Council, a state agency.

Benefit Golf Tournament

GOLFERS NEEDED
IN BENEFIT FOR HEALTHY BABIES

Join the golfers from across the state who will tee off on Cape Cod this month to give babies a healthy start in life.

Round Hill Country Club in East Sandwich will host a two-day golf tournament on October 27th and 28th to benefit the March of Dimes Birth Defects Foundation. For an $80. registration fee ($50. tax-deductible) golfers will swing their clubs the entire weekend to vie for over $1000 worth of prizes to be awarded at the Country Club on Sunday night. Prizes are sponsored by Cranberry Boggs Restaurant in Hyannis.

Every participant receives free gifts, chowder during the day, and is invited to a golf reception at Round Hill Country Club on Saturday, 6:00 to 7:30 p.m. Besides the reception and awards ceremony, a raffle drawing, putting contest, closest to the pin contest and a hole-in-one sponsored by

MATTAPOISETT HOUSEWRIGHTS, INC.
Custom Builders . Remodeling . Garages

USAir, will also take place during the tournament.

The tournament format is fivesomes in a 36 hole scramble. The first day, golfers use a regular scramble format with each player hitting from the best tee shot. The second day is a scramble with Paradise rules in effect, a minimum amount of drives will be used for each player. Male/female teams are invited.

Tee times are still available and golfers are wanted, so get in the swing for healthy babies and join the fun. Send the $80. registration fee to March of Dimes, 191 Main Street, Unit 212, Wareham, MA. 02571; pre-registration is required. As a bonus for fivesomes who register together, a discounted fee of $375.00 is accepted. For more information contact 291-2939 or 888-3384.

The March of Dimes is a non-profit, volunteer, health organization dedicated to have every baby start life healthy, without birth defects. The campaign for healthy babies is done through research, public and professional education, medical services and community programs.

The March of Dimes extends their thanks in advance to the tournament sponsors: Cranberry Boggs, Blue Cross/Blue Shield, Hearth and Kettle Restaurants, Pushcarts Restaurant, W.B. Mason Co., Burger King of Cape Cod and Round Hill Country Club.

SHARE Walk-a-thon

SCHEDULED FOR OCTOBER 21

SHARE (the Society for Human Advancement through Rehabilitation Engineering) Foundation has set October 21st for its annual walk-a-thon from 9 a.m. to 1 p.m. at Southeastern Massachusetts University.

Proceeds from the walk-a-thon support SMU's Center for Rehabilitation Engineering. The Center benefits severely disabled children and adults by providing them with communication equipment such as talking computers, Braille televisions, head pointer television controllers, mouthstick work processing systems, geared to their individual needs.

Walkers may begin anytime between 9 a.m. and 1 p.m. and will receive a commemorative T-shirt, cap or coffee mug for participating. The 10K (6.2 miles) route will start and finish at the SMU Athletic Center. There will be refreshments enroute and at the finish line, and participants may use the swimming pool from noon to

Cabaret Revue

AT HOLY FAMILY HOLY NAME SCHOOL

Ladies and Gentlemen, your table is waiting for a "Cabaret Revue" at Holy Family Holy Name School. Under the direction of Maurice Ouellette, outstanding area stars will be lighting up the stage on Saturday, October 20th, at 8 p.m., and Sunday, October 21st, at 2 p.m. This talented cast of 16 singers and dancers will be performing tuneful hits from Broadway and the pop scene.

The Cabaret entitled "A Carousel of Time", will feature hits from such Broadway favorites as "My Fair Lady", "Camelot", "Gigi", "Grease", "Anything Goes" and songs by George Benson, Fats Waller and Gershwin. Yet, "A Carousel of Time" promises to be different from the typical cabaret. Instead of showcasing a variety of unrelated musical hits strung together for an evening's entertainment, "A Carousel of Time" is a show which deals in a very lively way with a single theme.

Writer/director Maurice Ouellette has carefully chosen songs and developed a script which take an interesting and tuneful look at four stages of life: childhood,

MATTAPOISETT WATER AND SEWER DEPARTMENT NOTICE
SEWER RATE CHANGES

The Board of Water/Sewer Commissioners regrets that it has become necessary to increase sewer rates in order not to add to the property tax burden. Changes are as follows:
Minimum charge each 6 month period to become $60.00 for 3,000 cubic feet usage. (22,440 gallons)
Excess charge to become $20.00 per 1,000 cubic feet. (7,480 gallons)
The above is effective immediately for both the minimum and excess charges.

teacher), Mrs. Kathleen Evans (first grade teacher), Mrs. Yucel Carr, Mrs. Anna Lambros, Mrs. Suzanne Sylvester (all second grade teachers), and Mrs. Patricia Muldoon and Miss Kim Viveiros (third grade teachers) attended a six-day summer mathematics workshop sponsored by the Center for Innovation in Education. These summer workshops are designed for classroom teachers who are looking for alternative approaches and strategies for teaching mathematics with an emphasis on problem solving. Each summer workshop is run as a model classroom with teachers actively involved in the learning process.

Teachers of kindergarten through grade 2 students participated in the workshop entitled "Mathematics Their Way". This workshop focuses on manipulative materials and activity-centered learning. Mathematical concepts covered dealt with free exploration, patterning, sorting and classifying, comparing, counting, addition and subtraction, place value, measurement, graphing and problem solving. Manipulative materials used included a variety of readily available assorted "junk" (i.e. bottle caps, toothpicks, counters, etc.), recyclables, teacher-made materials, unifix cubes, cuisenaire rods, pattern blocks, wooden cubes, tiles, scales and geoboards.

Teachers of students in grades 3-6 participated in the workshop entitled "Mathe-

matics A Way of Thinking". The focus of this workshop is on the use of manipulative materials and strategies to help teachers establish a positive mathematical learning environment for all students in their class. Special emphasis is placed on learning strategies that make mathematics "come alive" and enables students to overcome their math difficulties and math anxiety. A variety of readily available, inexpensive materials, which enable teachers to implement activity-centered learning on a low budget, are utilized during the workshop.

The aim of these workshops is to encourage mathematical thinking, understanding and creativity as well as mastery of basic skills. Teachers experience the same activities that will be used with their students during the six day workshop. A model classroom environment is established to enable teachers to "live" the classroom management and the organization of the materials. Partial funding of the cost for our teachers to attend this workshop was made possible through a $626.00 Dwight D. Eisenhower Mathematics and Science Education Grant awarded to Center School. The teachers look forward to implementing the many ideas and strategies, as well as utilizing various manipulatives they became familiar with during the workshop, in their math classes during the 1990-91 school year.

Stamp Collecting Month

October is 1990s Stamp Collecting Month at your local post office. This year's theme is "Splash into an Ocean of Fun" by collecting stamps.

Featuring marine mammals of the sea, the common dolphin, the orca whale, the northern sea lion and the playful sea otter, the Lloyd Center for Environmental Studies is teaming up with the main post office in downtown New Bedford with a portable Marine Mammals of the New England Waters exhibit from October 15th to October 26th. The exhibit aims to promote local and global education concerning the preservation of these beautiful, essential creatures of the sea.

The exhibit features exquisite color photographs of marine mammals found in New England waters, a harbor seal skin, dolphin skeleton, whale's teeth and whale's

The second is a trip to the Ryder exhibit at the Brooklyn Museum in Brooklyn, New York on Thursday, November 15th. Albert Pinkham Ryder was born in New Bedford in 1847 and died in New York in 1917. During his lifetime Ryder's paintings received little recognition; now he is considered one of the foremost artists of his time. The cost is $70.00 for members and $80.00 for non-members. This includes bus fare, admission and dinner (but not lunch). Call Pat Howard at 997-0046 for reservations by November 1st.

In case there are insufficient signups for these trips the Museum reserves the right to cancel. Advance payments will be refunded.

New England Contradance

A New England Contradance will be held on Saturday, October 27th, at the Rochester Grange Hall, Hartley Road, Rochester from 8 to 11 p.m.

Beginners of all ages are welcome. Come alone or with friends; dancers change partners throughout the evening. Music for the dance will be performed live.

This community event is held every fourth Saturday of the month and is supported in part by the Massachusetts Arts Lottery Council through the Rochester Arts Council.

Lecture at Heritage Plantation

DIRECTOR OF HISTORIC DEERFIELD

Donald R. Friary, director of Historic Deerfield, will lecture on "Collecting in Deerfield: Pursuing the Past in 1990s Market", Thursday, October 25th, at 7:30 p.m. in the theatre of the Round Barn at Heritage Plantation.

In his illustrated lecture, Dr. Friary will discuss the challenge of recapturing the past in Deerfield by locating and acquiring antiques that tell the story of the community history.

Dr. Friary is a native of Boston, was educated at the Boston Latin School, received an A.B. from Brown University in 1962, an M.A. in 1963 and a Ph.D in 1971, both in American Civilization, from the University of Pennsylvania. He was for five years assistant professor of history at the State
